ANNUAL REPORT OF THE TRAINING COURSES OF THE SCOUT SECTION 1985-86

THE MOVEMENT IS A JOLLY FRATERNITY

"In the management of our Movement there are two points only. One is that we are a very elastic institution. If a Scout Leader does not like the aims of the Movement he is perfectly at liberty to go and play somewhere else. The other point is that there is a spirit of brotherhood amongst us, and the spirit of playing the game, and each playing in his own place. I cannot commend that spirit too highly, because it is the essential of success in a Movement like ours."

-Lord Baden Powell
